 3.0 CLE Hours in Missouri and Kansas (pending)
 Fees: \$99 for KCMBA Member \$169 for Non-member

This CLE will address issues relating to the negotiation of software and technology licensing and development agreements, including the latest developments in the open source arena. The speakers will address software licensing and ASP agreements from the point of view of the Licensor and the Licensee. Topics will include the various types of agreements, representations and warranties, indemnification, development milestones, acceptance testing, change orders and other provisions that are typically the subject of negotiation in licensing and development agreements. The CLE will also cover everything you need to know about open source software, including an overview of different types of open source, recent cases and practical guidelines. All questions and perspectives on these topics are welcome.

Moderator: **Kristine L. Kappel**, Chair, Patent/Trademark/Copyright Committee
