2009 Copyright and Trademark Roundup

Trademark and copyright cases kept the judiciary busy in 2009, and this seminar will highlight some of the most noteworthy cases of the year. From trademark fraud to copyright fair use, courts handed down opinions on some hot-button topics, and clarified long-standing precedent on others. Some cases broke new ground, and others simply provided great analysis of issues already near and dear to practitioners' hearts. We'll look at the cases and discuss their impact on both the state of the law and our day to day practices.

- KCMBA Member \$99
- Non-member \$169
- Materials only \$29.78
